学校简介 About XIT

厦门工学院坐落于福建省厦门市集美区，是2009年经教育部批准设立的全日制民办普通本科高校，2019年通过教育部本科教学工作合格评估，2025年获批硕士学位授予单位培育项目。

Xiamen Institute of Technology (XIT) is located in Jimei District, Xiamen City, Fujian Province. It is a full-time private undergraduate institution approved by the Ministry of Education in 2009. In 2019, the university passed the Ministry of Education's evaluation of undergraduate teaching quality, and in 2025, it was approved for the master's degree-granting program cultivation project.

学校现有全日制在校生一万多人，教职工近千人。The university currently has more than 10,000 full-time students and nearly 1,000 faculty and staff.

厦门工学院素有“一园绿荫映屋宇、四季红英照楼台”之誉，办学条件优越，校园环境优美。学校秉承“立德树人，以文化人”的教育理念，以“百年树人，百年名校”为办学愿景，推行“博雅教育、知识教育、能力培养”三位一体的人才培养模式，在师资队伍建设、学科与专业建设、育人、学校文化建设等方面都有着独特的追求，并逐渐凝聚成自己的办学特色。

The university is known for its picturesque campus, which has earned the reputation of a garden with lush green trees surrounding the buildings, and red blossoms illuminating the towers in all seasons. It boasts excellent educational conditions and a beautiful campus environment. The university upholds the educational philosophy of nurturing virtue through education, shaping minds with culture, and envisions itself as a century-old institution, a century-old prestigious school. It implements a talent cultivation model that integrates liberal education, knowledge education, and ability training, focusing on faculty development, discipline and program construction, student development, and campus culture. This has gradually shaped its unique educational characteristics.

Integrating liberal education, knowledge
education, and ability training.

学校现设融新学院、机械电气与信息工程学院、人工智能学院、建筑科学与土木工程学院、商学院、外国语学院、博雅教育与艺术传媒学院7个本科生学院。

The university currently has seven undergraduate schools: Freshman College, the School of Mechanical, Electrical, and Information Engineering, the School of Artificial Intelligence, the School of Architecture and Civil Engineering, the School of Business, the School of Foreign Languages, and the School of Liberal Education and Art Media.

学校重点培养工科为主的应用型人才,开设本科专业38个,分属于工学、理学、经济学、管理学、文学、艺术学六个学科门类。

The university prioritizes the training of applied talents, mainly in engineering, and offers 38 undergraduate programs across six academic categories:engineering, science, economics, management, literature, and arts.

厦门工学院秉持开放包容、交流互鉴的理念，引进国外优秀教育资源，开展对外文化交流活动，积极与国外高校、科研机构建立长期稳定的合作关系，通过联合培养、互派师生、共建课程共享实验室等多元模式，把国际前沿的学科体系、教学方法和管理经验融入人才培养全过程；设立专项基金，鼓励师生赴海外访学、研修和参加国际学术会议打造国际化校园环境，使不出国门的师生也能接受国际化教育。

Guided by the principles of openness, inclusiveness, and mutual learning through exchanges, XIT imports outstanding foreign educational resources and engages in cultural exchange activities with international counterparts. It actively forges long-term and stable cooperative partnerships with overseas universities and research institutions. Through diverse collaborative models such as joint training programs, faculty-student exchanges, co-developed curricula, and shared laboratory resources, XIT seamlessly integrates cutting-edge international disciplinary frameworks, teaching methodologies, and management practices into the entire talent development process. Furthermore, XIT establishes dedicated funds to encourage faculty and students to pursue overseas study, advanced research, and participation in international academic conferences. By fostering an internationalized campus environment, XIT ensures that both faculty and students can gain a global education without stepping out of the country.

人才培养

Talent Cultivation

学校积极探索教育、科技、人才一体化建设，通过“高阶教学、AI教育、产教融合”等教育教学改革举措，不断提升人才培养质量。

The university actively explores the integration of education, technology, and talent development. Through educational initiatives such as advanced teaching, AI education, and industry-education integration, it continuously enhances the quality of talent cultivation.

学校重视学生能力培养，按照OBE理念，坚持教学的成果导向，强化培养学生面向未来需要的多元的实践能力。推行以能力培养为导向的高阶教学模式，注重提升学生的综合实践能力和创新思维；在完善校内专业实验实训设施的基础上，持续加大投入，建设9个产业学院，打造12个跨专业的校内实践创作坊，并建设了155个校外实习基地；同时构建起能够支持强化能力培养的管理机制，提高教师培养学生实践能力的意识和水平。

The university emphasizes the cultivation of students' abilities and follows the OBE (Outcome-Based Education) philosophy, focusing on teaching outcomes and strengthening the development of diverse practical abilities needed for the future. It implements an ability-oriented advanced teaching model, focusing on improving students' comprehensive practical abilities and innovative thinking. In addition to improving on-campus professional experimental and training facilities, the university continues to invest in building 9 industry colleges, 12 interdisciplinary campus creative workshops, and 155 off-campus internship bases. At the same time, the university has established a management system that supports the strengthening of ability cultivation and improves teachers' awareness and competence in nurturing students' practical skills.

学校特别重视产教融合建设工作，在与企业合作期间，用国外优秀资源、案例、场景培养学生，学校每年向社会输送近3000名本科毕业生，部分毕业生进入国家电网、华为、西门子、亚马逊等全球领军企业就业，就业情况良好，受到社会和企业的欢迎和好评。

XIT prioritizes industry-education integration through strategic corporate partnerships, utilizing global-best practices, real-world case studies, and immersive scenarios to cultivate student competencies. Each year, nearly 3,000 undergraduate students graduate from the university and join the workforce. A significant number secure positions at world-leading companies such as State Grid, Huawei, Siemens, and Amazon. The exemplary employment outcomes have earned widespread recognition and positive feedback from both society and employers.

Xiamen: City Overview

廈門城市與文化

ABOUT XIAMEN

厦门 海上花园城市

Xiamen, also known as Egret Island, is a coastal city in southeastern Fujian Province, along the western shore of the Taiwan Strait, facing Taiwan across the sea. As one of China's earliest Special Economic Zones, it has developed a dynamic economy supported by such industries as electronics, machinery, logistics, tourism, and finance. The region enjoys year-round warmth and humidity, with evergreen vegetation across all seasons. Xiamen Port ranks among the world's top 20 container ports and serves as a key hub for cross-strait exchange.

厦门，别称鹭岛，是中国福建省下辖的副省级城市、计划单列市，也是中国最早设立的经济特区之一。地处福建东南沿海，台湾海峡西岸，与台湾地区隔海相望，陆地面积1700.61平方公里，海域面积约390多平方公里，截至2023年末，常住人口约530.80万。属亚热带海洋性季风气候，全年温暖湿润，四季植被常绿，自然生态条件优越。

Cultural Heritage

文化底蕴

Xiamen is a center of Minnan (Southern Fujian) culture, reflected in its red-brick architecture, traditional arts like Nanyin and Gezai Opera, and local cuisine. Gulangyu Island, a UNESCO World Heritage site, showcases a unique blend of Minnan and international architectural styles.

Livability & Environment 宜居性与环境

Known as a "Garden City," Xiamen boasts extensive green coverage, a pleasant climate, and attractions such as the Island Ring Road, Xiamen University, and Nanputuo Temple. It has been repeatedly recognized as one of China's most livable cities.

对外交流

With a strong overseas Chinese community and a history of international exchange, Xiamen combines economic vitality, cultural richness, and ecological sustainability, making it a model for open, progressive urban development.
